## NEW LIBRARY EXHIBIT DEBUTS JAN. 23

An exhibit of photos and postcards from the early days of the San Bernardino area will debut Jan. 23 at the Library. The pictures show San Bernardino as it was from the mid-1800's to the early 1920's.

It was a time of dirt streets; horse-drawn wagons, and lush, green parks. There are shots of some of the city's first streets, muddy, wheel-rutted Third Street and dusty D Street. There is even a plot map of Fort San Bernardino in 1851 with its 83 plots, tithing and storehouse, school and meetinghouse, wagon shop and colony office. Also among the photos are scenes from such area communities as Yucaipa, Colton and Barstow.

**SPEAKERS BUREAU  
BROCHURE ARRIVES**

The new brochure describing the services of the campus Speakers Bureau has arrived. The brochure lists campus personnel who are available as speakers for meetings or other group events. There is no fee for any speaker listed in the brochure. Faculty and staff who are involved in arranging speakers for organizations may pick up a free copy in the office of the Vice President for Administration, AD 104.

**NEW CAMPUS  
CLUB FORMING**

The Office of Services to Students with Disabilities is sponsoring the formation of a new club on campus. The inaugural meeting is scheduled for 11 a.m.-1 p.m., Tuesday in the Lower Commons. Interested persons may attend at any time their schedules permit.

The club, to be called Unify, will have as goals the promotion of informal friendships among CSCSB faculty, staff and students; establishment of a scholarship fund for CSCSB students with disabilities and conducting service projects.

**AIR CONDITIONING  
PLANNED FOR SPRING**

Plans call for restoration of air conditioning to the campus sometime this spring. Because of the loss of an essential element in the cooling equipment during the fire which swept the area in November, no air conditioning will be available until the lost equipment is replaced.

**INSURANCE CONTACTS  
PROGRAM AMENDED**

The Administrative Council approved a new policy this week which will allow insurance companies and brokerage firms the opportunity to present their insurance, tax-sheltered annuity and mutual fund programs to CSCSB employees on the campus.

Such companies will be allowed to spend up to two days on campus no more than once a year. Plans are for a room to be provided near the Personnel Office where employees may see insurance representatives on a one-to-one basis.

Announcement of representatives' visits will be made in the Bulletin and by distribution of the companies' materials through the campus mail.

**SOCIAL SECURITY REFUNDS  
DISTRIBUTED TO EMPLOYEES**

Refunds of Social Security taxes paid on sick leave salary have been distributed to campus employees. The refunds totaled \$2,149.71 and covered September, October and November of 1980. The funds became available through a change in Social Security regulations, which now exempt from Social Security tax the wages paid employees while they are sick.
